

WARWICK CASTLE AS YOU'VE NEVER SEEN IT BEFORE

25 January 2021: Warwick Castle's elegant grounds were blanketed in a carpet of white over the weekend, as Warwickshire received its share of the country's snowy downfall.

Offering unique views of the Castle and its grounds not only in the snow but also empty of visitors while the Castle is currently closed, the images include an aerial view of the Peacock Garden where it looks more like Star Wars' Millennium Falcon.

The Castle will welcome visitors back once it is safe to do so, but in the meantime is offering its new online Learning Library full of activities and information for children currently learning from home.
